

Building In Antioch Hit \$866,388 During 1967

Building in the Village of Antioch totaled \$866,388 during 1967, members of the board of trustees were told Tuesday night.

And the largest part of that figure was some \$321,564 for 19 new residences in the village.

A total of \$280,000 was spent in the construction of four new apartment buildings and \$68,306 for construction of a church.

Other building swelling the total included \$26,273 for alterations to 25 residences; 14 garages, \$20,725; one new manufacturing plant, \$46,000; six commercial alterations, \$23,800; one club alteration, \$7,800; one new business, \$4,500, and \$67,400 for additions and repairs to four manufacturing plants.

EXPAND FIRE LIMITS

In other action the village

board passed an ordinance which expands the limits of the Antioch Fire Protection District.

Trustees voted to have maps available at a later date for those who are interested in the boundaries of the expanded district.

The five page legal description of the new district is published elsewhere in this edition.

It was pointed out by Village Attorney Edward C. Jacobs that the ordinance could be amended at any time to take in new territory.

HIKE IN FEES

Fees for road openings and for plumbing permits were hiked by the board.

In a unanimous vote the board passed a resolution amending the street ordinance to make it a \$20 fee for opening a road, instead of

the present \$5.

The fees for plumbing, up to last night \$5 for a permit and \$1 for each fixture, were held the same on one-family residential buildings but hike to \$15 plus \$1 for each fixture on multiple dwellings; \$25 plus \$1 on commercial buildings, and \$35 plus \$1 on industrial buildings.

The board also voted to charge a \$2 fee for copies of accident reports obtained from the police department.

Members were told that the fee was charged elsewhere in the county and the practice was getting to be an expense in the village as most motorists need copies of an accident report to file claims with insurance companies.

STREET IMPROVEMENT

An estimate on the cost of improving Lake Street was

also given to the board Tuesday night and totaled \$90,745.

The figure would include \$21,665 for a sanitary sewer line and \$69,080 for widening and resurfacing the street.

The matter was referred to committee for study and a report back to the board.

CEMETERY EXPANSION

The board also received a report from the Planning Commission recommending that the Osmond Enterprises and Antioch Hillside Cemetery Association be granted special use zoning to expand

the cemetery.

The board noted that the zoning at the present time is for residential one-family dwellings and moved that the group petition the zoning board for a special use permit.

Mayor Raymond Toft noted that the lot in question covered almost an acre of ground.

PRICE ON LIGHT

The board in final action recommended the village approach the state on the price of a stop-go-and-walk light at Lake and Main Streets.

State Bank Elects Directors

The State Bank of Antioch held its annual stock holders meeting on Jan. 10, and elected as directors Edmond R. Strang, James W. McMillen, Ted C. Larson, James W. Kopriva, Carl D. Hughes, Fred O. Hawkins, Irving W. Carey, William E. Brook and Lloyd E. Murrie.

President William E. Brook reported the bank had a record year last year—possibly the best in every way. "We picked up \$3,700,000 in total deposits," Brook said, "and over a thousand new customers. Some \$100,000 was transferred to our surplus account and we have some additional facilities in

Art Mercier To Speak At Lions Club Meeting

Art Mercier, Outdoor Editor of WBBM-CBS Radio will be the guest speaker at the Antioch Lions Club Jan. 22 meeting at Lorenz's Smart Country House at 7:00 p.m.

Despite his fantastically busy schedule, Art Mercier finds time each year to take several trips with Boy Scouts, YMCA groups and neighborhood children. Plotting out hunting and fishing jaunts, Art teaches children the rudiments of outdoor living and helps to give them a good, healthy and safe appreciation for nature.

In addition to his other activities, Art Mercier has recently been named to the Montgomery Ward Sports

Advisory Staff and is assisting Montgomery Ward's merchandisers in both the design and marketing of outdoor equipment.

His Outdoor Shows average over 100 phone calls per week—year around, requesting "where-to" and "how-to" information.

Art is one of those happy men who spends working and non-working hours doing what he likes most... being outdoors! Hunting for geese as far north as Hudson Bay, salt-water fishing in the Gulf of Mexico, Art spends the year trying his luck in most of the good hunting and fishing areas of this continent.

Area Schools Explore Plan For Group Volume Purchase Of Supplies

An elementary-High School Articulation Luncheon meeting was held at Antioch Community High School on Wednesday, Jan. 10.

Superintendents of the Antioch area schools discussed group volume purchasing of school supplies.

Jack Adams and Warren Polley circulated supply requisition forms to determine the school supply needs of

the various grade schools and high schools. The needs will be tabulated and submitted to companies for prices.

The superintendents were encouraged to discuss with their boards the activities of the articulation meetings so as to gain support for programs when submitted to them.

Polley, with the aid of elementary school representatives, is to develop a project in language arts skills that can be submitted to the various Boards in February for their consideration.

The Language Arts personnel met with Kenneth Smouse to explore the possibilities of an articulated English program within the grade schools and the high school.

Those in attendance were: Elmer Ziegler, Supervisor Region I, Richard Whitacre and Wanda Barthel of Antioch Grade School; Harold Romaine, Oakland; Byron Levene, Emmons; John Schockmel and Margaret Walsh, Grass Lake; Melvin Colbert, Joseph Pleviak and Lenora Schaefer, Lake Villa; James Bradley, Hooper; Jack Adams and Janet Kennedy, Millburn; Father David Lynch, Father John Carolan, Sister Clare Antonette and Mrs. Frances Williams, of Prince of Peace; Father Alfred Henderson and Sister Virginia Stone of St. Peter's, and Albert Dittman, Warren Polley, Edward Kurek, Arthur Blecke and Ken-

neth Smouse of Antioch High. The next Elementary-High School Articulation meeting will be conducted at the high school Thursday, Feb. 29, at 11:45 a.m.

Katherine McCormick Wills \$25,000 To Allendale School

Allendale School for Boys in Lake Villa will receive \$25,000 from the estate of Katherine Dexter McCormick, who died Dec. 28 in Boston at the age of 92.

Mrs. McCormick was the widow of Stanley McCormick of International Harvester. The bulk of her \$30 million estate was left to the Massachusetts Institute of Technology. She also left substantial sums to several other organizations in Illinois.

Mark Turner Elected President of Tavern Owners Association

The Lake County Tavern Owners Association met recently at Sheahan's Two Lounge, Rte. 21 south of Rte. 120 and unanimously elected William (Mark) Turner, owner of Mark's Castle, Rtes. 173 and 45, Antioch Township, president.

Gil McCormick of Lake Bluff was elected vice-president; Frank Conte of Round Lake, secretary-treasurer; and Slim Brasher, Libertyville, sergeant-at-arms.

Ken Larson Tells Of Viet Nam Experiences

Kenneth Larson, home from Viet Nam.

Ken Larson is back home after 12 months in Viet Nam, and despite the sub-zero temperatures in Antioch when he arrived home on Dec. 29th, he's mighty happy to be back.

Ken worked with a trucking unit while in Viet Nam and unloaded ammunition from ships and directed it to different locations in the fighting area. He was stationed about 20 miles from Saigon.

When asked about Viet Nam, Ken remarked, "The climate there is certainly different. It was 90 degrees when I left... though it got

very cold at night... and it was really quite a change coming home to frigid Antioch, but home looked mighty good to me.

"Viet Nam is an interesting place" and I learned much from my stay there," he added. "The living standards are very poor and the people do not have much—but they are"

Starkey Installed As New Chamber Head; Names Committees

The new officers of the Antioch Chamber of Commerce were installed last Saturday at the annual Chamber dinner dance in Lorenz's Smart Country House.

Those installed included Dale Starkey, president; Kenneth Schultz, 1st vice president; Lewis Simon, 2nd vice president; and George Hahn, secretary-treasurer.

Members of the board of directors installed included Joseph Beemsterboer and Douglas Olson.

Starkey also announced his committees for 1968. They include:

Retail Sales—Doug Olson, Larry Leafblad, Mildred Gaston and Ron Anderson; membership and dues—Doug Olson; industrial—Henry A. Pickard, Jr.; Christmas decorations and program—Lew Simon; steering—Ken Schultz; public relations—Dale Starkey, Jerry Babb; luncheons—Jerry Babb; social—John Romer; community pride—Robert Callaway.

Art H. Marshall, of Highland Park, well-known industrialist and civic leader is a candidate for the 12th Congressional District at the Republican National Convention.

Antioch Hi Teens Will Collect For March of Dimes

Antioch Teens are doing good deeds again!

The Student Council of Antioch Community High School is sponsoring the teen age part of the March of Dimes for the Antioch area.

Students will be collecting for the March of Dimes at the different business areas of Antioch, Lake Villa and Lindenhurst this Saturday, Jan. 20.

The March of Dimes this year will have three divisions—Grade School, Teen Age and Mothers.

The Student Council will serve hot chocolate and doughnuts in the afternoon to the workers.

Slash Price Of Gasoline

Mister Motorist—you had better fill your tank full of gas in Antioch.

For we are in the middle of a price war—which didn't start out that way at all.

But as a result the price of regular gasoline at most area stations is now going for 32.9 cents a gallon and premium at 36.9.

The price cut, which knocked four cents a gallon off the going rate, started out as a gas sale at a Sinclair station at Depot and Main.

It was reported by an attendant at the station, his brought an immediate response from Mayor Raymond Toft, a gas station owner himself, who stopped off to see what was happening.

In fact, the attendant reported, the response was

from more than the mayor. It brought a cut throughout the area—but even then there is a little hedging going on.

One station has a sign that says what the price cut for regular is but the premium price is at 37.9 cents.

"The price of gas has been kept up in this area for years," the attendant reported; "It just seemed to stop at certain boundary lines whenever a cut was involved."

"We decided that was all right for those long established businesses, but not so good for those starting out."

"The sale was only to be for a few days, but who knows now. We might have started something that may go on for a while."

Rep. Murphy Injured Saving Dog

State Rep. W. J. Murphy and his three sons performed an heroic deed last Saturday when they rescued a mutt from the icy waters of Petite Lake.

The family, which resides on the shore of the lake, heard a dog barking and noticed a Bassett hound splashing in the water, unable to get back to shore.

Bill and his three son, Bill, Bob and Jerry went out onto the ice and managed to rescue the drowning canine.

On the way back to shore the elder Murphy stepped into a hole in the ice, plunging in up to his knee. To make matters worse he twisted that member when he fell and received a whiplash to his neck, requiring medical treatment.

Financial Condition Of Grade School Good Thru June 30

The Antioch Grade School Board received a report Tuesday night at their meeting from Norman Jedeke, accountant, on the financial condition of the school district. The report concluded that the grade school should be able to go through until June 30 without taking out anticipation warrants.

Miss Mildred LaPlant reported on a meeting with the high school board committee on Jan. 9. A problem was foreseen in finding someone to repair the school buses; as Mr. Hunter is retiring.

A report on the Articulation Luncheon at the high school was given by Mr. Whitacre.

A school board get-together for members of the school board, faculty and other employees of the school will be held at Lorenz's Smart Country House on Jan. 27, at 6:30 p.m. Reservations are due for this smorgasbord dinner.

Miss Joanne Paddock requested a leave of absence from Jan. 13 to Feb. 12 and Mrs. Wm. Petty, Jr., will take over her classes while she is away.

The board authorized the secretary of the board to publish notice of time and place and with whom nominating petitions can be filed for the April election of board members.

A vote was given to adopt the 1968-69 Lake County school calendar as prepared and recommended by Dr. W. C. Petty, Lake County Superintendent of Schools. School term will open on Sept. 3, 1968 and close on June 6, 1969.

The possibility of sending a representative to the annual meeting of the Special Education District of Lake County at the Mundelein High School on Feb. 28 was discussed. The representative will be named at the Feb. 20 board meeting.

High School Concert Set For Saturday

The Antioch High School Fine Arts Department will present its annual "Pops Concert" at 8 p.m. Saturday.

Featured will be the high school Stage Band and Swing Choir.

The stage band will be under the direction of Joseph T. Rush and the Swing Choir will be under the direction of Ralph Brooke.

The stage band features the sounds of the big bands set to the music of modern jazz. Special solos by Mike Mazer, Bill Dow, Glen Erickson, Chris Shute, Roger Bock and others will highlight the numbers presented by this group.

The Swing Choir will feature sounds both old and new with many featured solos.

All in all the program should prove to be an outstanding musical event. Tickets will go on sale at 7:30 at the high school auditorium.

Thieves Break In Local Restaurant

Thieves broke into Lorenz's Smart Country House early Tuesday morning and stole cash estimated at around \$1000.00.

Entrance was gained through one of the fire doors.

Alcoholics Anon. Set January Meeting

An open meeting sponsored by the Alcoholics Anonymous will be held at 8:30 p.m. Friday, January 26, in St. Peter's Church, 557-Lake St.

The meeting which is open to the public, will be highlighted by two brief talks by Red and Lois B. Refreshments will also be served.

State Senator Arthur R. Gottschalk.

Gottschalk Seeks GOP Nomination

State Sen. Arthur R. Gottschalk, R-Flossmoor, Monday announced he is a candidate for the Republican nomination for governor.

Gottschalk joins Cook County Board President Richard Ogilvie and Peoria industrialist John H. Altorfer in seeking the GOP nod.

"I will take my campaign directly to the people," Gottschalk declared. "Our greatest resource in Illinois is the people, themselves, and I intend to see and talk to as many citizens as possible."

Gottschalk, 42, a state senator since 1960, said his service in the legislature has made him keenly aware of the problems facing the state. "There is no single, pat solution to the problems," he said. "Solutions necessarily

EDITORIAL

We Ask A Question

The Antioch News, established in 1886, has over the years proven itself as a fair, forthright publication.

We believe that we have shown that our interests are for the good of the village and of the township we are serving.

But we also believe that we, as the only Antioch based newspaper, also have some rights.

Since the late 1880's, this newspaper has successfully printed the tax assessment rolls—until this year.

This year the rolls were given to a rival newspaper which, to our way of thinking, is actually a Grayslake newspaper with a very limited circulation in the Antioch area.

We feel that this rival publication, which actually draws business away from Antioch through out of district advertising, cannot include stories supporting Antioch except in some 250 papers with an Antioch label.

Why was this function given to a publication that is only a year old?

We do not know.

We asked this same question.

We asked this question of our officials from this area.

They say they were not consulted.

There must be a reason.

We feel that any reason would not be sufficient for us.

Who Sits Where

Nameplates are probably something that no one should be without.

And first in line for the item are members of the Lake County Board of Supervisors—at \$10 each, that is.

We are still trying to figure out what they are there for—unless visitors to the supervisors' lair on the 10th floor of the county's new administration building want to find out where their local representatives sit.

We are sure that it isn't because of the rush of people to the board meetings.

There is very seldom anyone at the meetings but the members of the board—except for a few lady representatives of various groups—and their knitting.

Now it is probably true that a \$10 item isn't much to scream about—but 10 times 37 is \$370.

And maybe \$370 isn't much to get excited about except for the fact that all of the members of the board know where they sit—we hope.

Even if you don't know the players without a scorecard, County Board Chairman Lloyd E. (Red) Murrie announces them before they speak.

So if the nametags are there for the benefit of the public, we don't want it.

If they are there for the benefit of supervisors who can't find their seats—we don't want them.

Placement Test For Peace Corps Jan. 20

Antioch and all Lake County area residents interested in putting their skills to use in developing nations around the world are invited to take the Peace Corps Placement Test at 1:30 p.m. on Saturday, January 20, at 228 N. Genesee St., Room 208, Waukegan.

The Peace Corps uses the Placement Test to determine how an applicant can best be utilized overseas. The test measures general aptitude and the ability to learn a language, not education or achievement. The test re-

quires no preparation and is non-competitive; an applicant can neither pass nor fail.

Persons interested in serving with the Peace Corps must fill out an Application, if they have not already done so, and present it to the tester before the test. Application forms are available from post offices or from the Peace Corps in Washington, D. C. 20525.

If it isn't a sore throat or a cold these days, it's that old flu bug. Everyone you talk to has some kind of illness, in their family these days.

On the brighter side—John and Ann Kakacek held an old fashioned ice skating party last Sunday complete with hot glue, home made chili and a sing-a-long that gave everyone a sore throat.

Bill Brook and Ted Cost-off revealed their hidden talents at guitar playing. The Sing-alongers included: Norma and Art Meierdick, Ted and Joan Larson, Don and Betty Mentone, Al and Phyllis Bucar, Father McGovern, Bob and Annette Lubkeman, Byron and Helene Leveche, George and Jan Hall, Joe and Marilyn Sterbenz and Ron and Marge Gaa.

Bradley Partlow of Grass Lake School hosted a skating party recently for his pals and everyone had a wonderful time.

Mr. and Mrs. Wm. Shute of Indian Point served the

Courthouse Notebook

The clan will gather tonight (Thursday) to pay tribute to one of their own and the night will overflow with legends and the retelling of anecdotes so heavily embellished the truth of them is lost in the rhetoric.

The object of the tribute is one of nature's noblemen although his familiarity with nature and the wilderness is limited to the distance which his slice carries into the rough bordering fairway.

An early product of Lake County he moved to Chicago at an early age and rang doorbells and carried out the various other functions expected of a promising young precinct captain toiling in the ranks of the Democratic organization.

When he returned to Wau-

kagan a few years back he joined the Republican Party, but brought to its sometimes ponderous and stuffy sessions a refreshing and sometimes irreverent candor compounded partly from a cynicism developed in the political vineyards of Chicago and partly from a realization that neither party has a monopoly on rogues or saints.

The object of affection and the target of the perfumed phraseology will be John Daly, raconteur, wit, scuffer of the scene, and organizer and master of ceremonies for scores of other testimonials over the years, including all the annual "reirement" parties thrown for former North Chicago Police Chief Jake (Sarah Bernhardt) Novak.

Tonight Daly will be on the receiving end and he will find himself in the unaccustomed position of being on the receiving end of the good-natured jibes and harpoons.

The politicians will be there because John is a politician even though he holds no office, appointive or elective. Slated to be on hand are State Auditor Mike Howlett, a Democrat, and to keep the books balanced there will be former Gov. William G. Stratton.

The tables will be jammed with judges and clerks, prosecutors and defenders, labor officials and working people and a scattering of colorful characters from all areas who are among the few who really understand Honest John when he gets in full swing.

And so, after dozens of "Nights" and testimonials for dozens of others in the area we come to John Daly Night and it couldn't happen to a nicer guy.

Ah, Progress. Ah, Efficiency. Ah, Economy. What crimes are committed in thy names.

And we still feel that tampering with the composition of the County Boards of Supervisors is a crime, but it appears the fight is to be waged again.

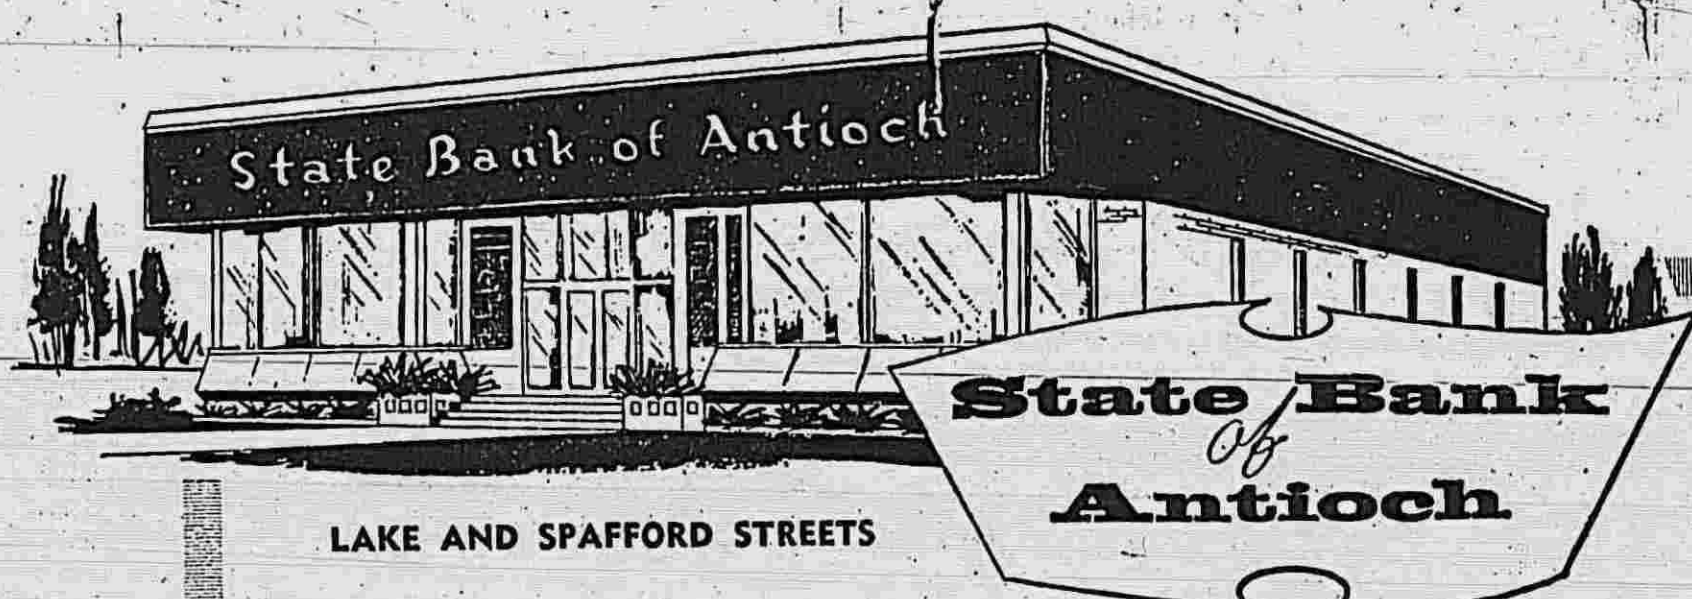

The cries are once more being heard: the county board is too big. It is not responsive to the voice of the people. It costs too much money. Fewer people could do it better.

Well, let those who would reduce the size of the county board first do away with the township government in Lake County rather than impose yet another level of government in the area, a level that would change its boundaries every 10 years so that an arbitrarily selected number of "commissioners" can represent the right number of people.

Installation of the data processing equipment in the county was progress, but questions of economy and efficiency are still to be settled.

Besides, if they reduce the size of the county board what will happen to the House of Lords on the 10th floor of the new County Administration Building and all those fancy chairs?

Bachelors, like detergents, work fast and leave no rings.

Congratulations Antioch Lions Club For 30 Years of Dedicated Service To Our Community

There is probably no other organization in the history of Antioch that has done more for the community and deserves more ROARS of appreciation than the Antioch Lions Club.

The Antioch News on behalf of the community, extends their best wishes, thanks and appreciation to The Lions Club and its members who are now celebrating 30 years of service to the community—and what magnificent things they have done!

Thank you Lions—

for the purchase and installation of a football scoreboard at the high school athletic field.

for helping to finance the Antioch Rescue Squad which has been saving many lives in its 29 years of existence.

for your active participation and contribution to the village for the installation of street lights for the business section.

for giving Antioch that wonderful swimming pool.

for your delicious chicken barbecues that we have all enjoyed in the past.

for your program book for the Civil War Centennial in 1961.

for your program book for the Diamond Jubilee in 1967.

for the golf tournaments, bridge tournaments and participation in the Lion District bowling tournament. You've made all our lives happier and brighter with your activities.

for the Athletic Banquets you have given each year honoring the athletes of the Antioch Community High School.

for your endless contributions to worthwhile causes such as Project Viet Nam, Aid to the Blind at Hadley School.

for performing services during your first 20 years ordinarily accomplished by service clubs and also those of a Chamber of Commerce, one of which was furnishing Christmas music in the business district during the holidays.

for your hard work and interest in promoting Candy Day. Everyone wants to help the blind—and you make it possible for all of us to do so.

May you continue to grow, expand and continue in the spirit of your tremendous past. Your work has done much to give Antioch its fine name and, we are grateful to you.

1937 - 1967

By Loren Sexauer

The Antioch Lions Club originated and was organized in 1937, and received its charter from Lions International on September 22nd of that year. There were 31 charter members, who were the following:

Robert C. Abt, Edmund F. Vos, S. Boyer Nelson, H. B. Gaston, J. B. Fields, W. R. Williams, R. G. Holtz, Irving Carey, Dr. L. J. Zimmerman, Irving Elms, M. Golden,

O. E. Hachmeister, Frank Hunt, Rev. Loyal V. Siler, E. W. Röntner, R. Schramm, W. A. Rosing, Dr. D. N. Deering, E. E. Brook, Dr. W. W. Warriner, Jas. F. Horan,

W. I. Scott, J. C. James, H. A. Smith, S. E. Pollock, L. O. Bright, Geo. B. Bartlett, J. E. Brook, Frank Powles, Robert Mann, W. S. Darnaby.

Those members with an asterisk following their names are still active in the Club today.

The principal objective of the Club in its early years, in addition to the regular objectives of Lionism as set forth in the International Constitution and By-Laws, was the promotion of the community as a recreation area. One of the first civic projects of the Club was the purchase and installation of a football scoreboard at the High School athletic field.

RESCUE SQUAD ORGANIZED IN 1939

The principal beneficiary of

the Club financially was the Antioch Rescue Squad, organized in 1939 by three members of the Fire Department. Originally there were twelve members of the Squad, one-half of the number Lion members. In 1946 the Club undertook the responsibility of raising all of the funds needed for the Squad's operation, and a Lions Club Rescue Squad Fund Committee was appointed, comprised of a chairman, a secretary-treasurer, and four members, two appointed each year for a 2-year period. The committee still functions today, and over the twenty-one years more than \$125,000.00 has been raised, all from voluntary contributions from area residents through annual solicitation letters, memorials, and contributions of appreciation. The Club received international publicity on this activity from an article in the Lion Magazine of March, 1965, titled "Antioch's Life Saving Lions."

LIONS HELP LIGHT UP ANTIOCH

Another major project of the Club was its participation in the installation of street lights for the business section of the Village. Its contribution was one-third of the cost, or \$2,500.00. The other two-thirds coming from the merchants and the Village. These lights were installed in 1950 and were turned on by the Village Mayor, also a

Lion, on the evening of November 17th of that year.

LIONS BUILD SWIMMING POOL

The largest single community project of the Club was the building of a modern, safe swimming pool of adequate size for the area. This project was discussed for almost two years before it was finally undertaken. A bond issue of \$80,000.00 was sold by Lion members in 30 days. The Antioch Lions Club Community Service Corporation was formed, all officers and directors being Lion members. The building of the pool was started early in 1956 on ground leased from the Village in Williams Park, and was opened on July 4th of that year. Dedication ceremonies, with State Treasurer Warren E. Wright presiding, was held on August 8, 1956, at the end of an afternoon of festivities starting with a big parade, the raising of a flag presented by the American Legion, and entertainment by professional swimmers and divers. The pool has provided competent and properly supervised instructions in swimming for several thousand youngsters, as well as an opportunity for "oldsters" to plan special "pool party" occasions.

A major occasion for the Club occurred in 1947 when it had as its guest the founder of Lionism and Secretary-General of Lions International, Lion Melvin E. Jones. This man, a young insurance agent in Chicago in 1917 dreamed of the consolidation of several independent clubs already in existence into one strong, influential unit for service to humanity. Today the International Association of Lions Clubs is the world's largest, most active and most representative service club organization, with 20,800 Clubs and 800,000 members in practically all countries of the free world on six continents. Lion Jones was very favorably impressed, and after his visit sent a letter complimenting the Club for its splendid record.

FUND RAISING ACTIVITIES

The main fund raising activity of the Club for many years was the annual carnival held in the summer months and these events raised thousands of dollars each year. These were discontinued when certain restrictions came into effect, and for the past 8 years the Club's annual chicken barbecue has been the main fund raising event. In 1961, when Antioch celebrated the Civil War Centennial, a program book raised a substantial amount of money. The year 1967, with Antioch celebrating its Diamond Jubilee, has been the largest money raising year in the Club history, with the Club's program aid book, the barbecue, and the commemorative bottle raising in excess of \$7,500.00.

OTHER LIONS EVENTS

An annual event held each year, Candy Day, proceeds of which go toward the Blind

Conservation Program, this year raised more than \$1,000.

Other events held every year, more social than money makers, are the annual ladies night, the spring and fall golf tournaments, the bridge tournament and participation in the Lion District bowling tournament.

An athletic banquet is given each year, honoring the athletes of the Antioch Community High School, when the athletes and their fathers are the guests of the Club.

As shown in the record, the Antioch Lions Club, during its first twenty years, being the only civic organization in the Village, performed not only the services ordinarily accomplished by service Clubs, but also those of a Chamber of Commerce, one of which was furnishing Christmas music in the business district during the Holiday Season.

Percy Urges Students To Enter Contest

Sen. Charles Percy today encouraged Illinois Students to enter the Sesqui-centennial essay contest sponsored by Children's Press, Inc.

The contest, offering more than \$2,000 in prize money, is being conducted in commemoration of the state's 150th anniversary and in conjunction with the publication of a new state history book, "Illinois, Land of Lincoln."

In a message to Illinois school children, the Senator said: "I personally encourage every seventh through twelfth grade boy and girl in Illinois to learn as much as possible about our state and the operation of its government branches."

"The 'If I were Governor of Illinois' essay contest being sponsored in conjunction with our 1968 Sesqui-centennial celebration offers you the ideal opportunity to learn about Illinois and at the same time to compete for some fine prizes."

All school children must do is write an essay in 150 words or less. Essays will be judged on freshness of approach, reader interest, appropriateness of expression, and organization.

The grand prize winner will receive \$1,000 and will spend one full day with Gov. Otto Kerner in Springfield.

1952—Loren D. Sexauer
1953—Homer LaPlant
1954—Ted C. Larson
1955—Norman Jedele
1956—Louis A. Biel
1957—Dr. James Kopriva
1958—Albert Dittman
1959—Joe Patrovsky
1960—George Hawkins
1961—John Fields
1962—Dr. A. Bucar
1963—Leonard Roblin
1964—Thomas Haviland
1965—Maynard Schneider
1966—William Seemann
1967—Dan Dugenske

Lions International by-laws provide for election of officers in June of each year, with those elected taking office on July 1st. However, because of conditions affecting the businesses of Club members, the Antioch Club in 1946 requested and obtained permission from Lions International to hold elections in December, with those elected taking office in January and serving for the calendar year.

In its first thirty years the Antioch Lions Club has established an enviable record. One of the largest Clubs, with more than one hundred members, it has served its community well, has adhered strictly to the Lions Code of Ethics and to Lions International Objectives. Indications are that it will continue for many years to fulfill the motto of the International Association of Lions Clubs, which is "WE SERVE."

Five other first place winners each will receive \$150; six-second place winners each will receive \$50; and six third place winners each will receive \$25.

Posters announcing the contest as well as entry blanks including rules have been furnished to every school and library in the state, as well as to banks, savings and loan associations, and chambers of commerce.

The contest closes Feb. 12, 1968, and all entries must be postmarked no later than midnight of that date. Essays and entry blanks must be mailed to: Box C, Children's Press, Inc., 1224 W. Van Buren St., Chicago, Ill., 60607.

Total Snow This Season: 19.6"

Remarks: For 42 years up to 1960 the average precipitation in Antioch was 32.83", including the years to '66, it was 32.3". And in '67 our total was 34.17". It was a good year for crops, lawns, hedges, etc. But with the warm temperatures in Nov. and Dec. it hurt the farmers in not being able to get into the fields to harvest a bumper crop. The Northern half of the states did better than the Southern part.

The average mean temperature (taking the high and low for the day and dividing by two for one year) for 19 years up to 1960 was 48.4°F, to 1966 it was 48.6°F and our mean for '67 was 48.7°F, making it the coolest year since 1951 when the mean was 46.0°F.

The average snowfall (for the year not the season) for 18 years up to 1960 was 31.4", to 1966 it was 37.4" and our total for 1967 was 42.4".

The first week of the New Year ending January 7th, our temperature averaged 19 to 21 degrees below normal. The second week was about normal with enough snow on the weekend to enjoy whatever winter sport you might want to do.

Antioch Hi To Welcome Teacher

Miss Hebe Lambruschini of Argentina, will teach at Antioch Community High School between January 24 and February 16. She is one of nine teachers of English from nine foreign countries who have come to Illinois through cooperation with the state department and the United States International Teacher Program.

The teachers are scheduled to arrive in Springfield Sunday, January 21. They will remain in the city Monday and Tuesday and leave Wednesday for their respective school assignments.

While in Springfield the teachers will visit with the Governor, visit Lincoln shrines and be instructed about educational practices by members of the state staff.

The teachers will be assigned to schools at Antioch, Pittsfield, Salem, Pontiac, Princeton, Harrisburg, Anna, Jonesboro, Rochelle and Lincoln. They are from the countries of Argentina, Brazil, Colombia, Ecuador, Mexico, Peru, Nepal, Lebanon and Turkey.

School Head Resigns Lotus Post

Lotus School Supt. James G. Boatwright has resigned his post, as of last weekend, it has been announced.

Boatwright presented his resignation to the school board a week ago Wednesday night and the board accepted it last Friday.

There was no official announcement of the resignation by the board and no announcement of a successor.

Local People Have Licenses Suspended

Henry Gillissen, Sr., of Lake Villa had his driver's license suspended for driving while intoxicated, according to the latest report from Secretary of State Paul Powell's office.

Driver's license suspensions for 3 violations were issued to Glen T. Barrett, Rte. 2, Box 469, Lake Villa, and Kathleen G. Reid, Rte. 2, Box 504, Lake Villa.

A probationary permit was issued to Michael W. McConaha, Rte. 3, Box 590, Antioch.

Doris Grant Lotus School Sec'y Dies

Doris E. Grant, 50, of 4th Ave., RFD 1, Spring Grove, school secretary at Lotus School for the past seven years, died Saturday at McHenry Hospital from injuries suffered in an auto accident in December.

Services were held at the Ingleside Methodist Church Tuesday with burial at Fox Lake Cemetery.

Gov. Kerner Names Heyne To New Council

Norman E. Heyne, president of Kennedy, Heyne & Thorne Advertising in Chicago, and a resident of Antioch, has received a commission from Governor Otto Kerner as a member of the Council on Pre-Trial, Trial, Pre-Sentencing and Post-Sentencing Diagnosis and Evaluation of Criminal Defendants.

The new commission, formed by an act of the last session of the State Legislature, will study the treatment and rehabilitation of prisoners and will report its findings to the next regular session of the Legislature.

Mr. Heyne, as president of the John Howard Association, has long been interested in the problems of criminal behavior and improvement in prison conditions.

friendly and happy.

"Some of the people in Viet Nam live in thatched huts with sides made from tin cans from G.I. refuse dumps. The units they build are very serviceable. A typical Viet Nam menu would include rice and fish heads. Beetles, grasshoppers and crabs are rare delicacies.

"The streets in Viet Nam are very crowded," he added.

"There are few automobiles and you mainly see bicycles, motorcycles and the 'Cyclo-Bike' with a seat on front. This is a popular form of taxi service and a pedaler can actually taxi two grown-ups on this front seat.

There is a great need to help the Viet Nam orphans," he said, "and many of the American units are doing a great job in supplying these children with food, clothing and even building orphanages, but much more help is needed."

When asked if he had seen any USO shows while there, Ken said that he had seen Bob Hope and Martha Raye.

Ken continued, "The place where we were stationed was on the shore of a river. The current of this river was so strong that if a person fell in, he drowned immediately and there was no chance of saving him."

In addition to Viet Nam, Ken was in Japan. He visited a Buddhist temple, attended a Japanese style party where everyone wore kimonos and sat on the floor—he drank sake and feasted on authentic Japanese food. When asked how he liked the food Ken smiled, "It was delicious, as long as you didn't know what you were eating."

Tokyo is a very modern city and what surprised me was how very friendly the people were to us," he said. "They even expressed sorrow at our having to fight in Viet Nam. One of the big thrills of my stay in Tokyo was a ride on the bullet train between Tokyo and Yokohama at speeds approaching 130 miles per hour. The train has a top speed of 150 miles per hour."

Ken continued: "One of the things that meant an awful lot to me while in Japan were the packages I received from Project Viet Nam. The Christmas package arrived just before Christmas—and

I really appreciated that beautiful card from the Antioch people. The packages always seemed to come at the right time—when letters were scarce, and meant a great deal to me.

"The majority of the fellows in Viet Nam don't pay too much attention to the demonstrations going on in this country and realize that the majority of the population is behind their effort."

While in Viet Nam, Ken saw Pat Ring of Antioch. Pat was an adviser to the South Vietnamese army.

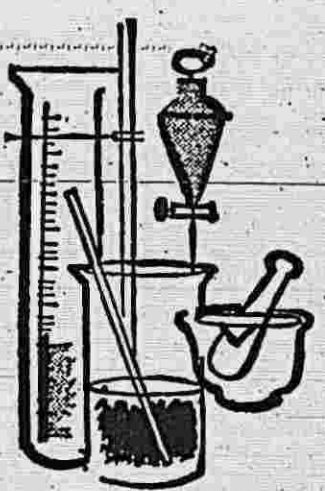

Ken is a graduate of Antioch Grade School and he graduated from Antioch High School in 1964. He is the son of former Sheriff Charles Larson and Mrs. Larson of Antioch. Ken is engaged to Dorothy Sarbacker of Lake Villa.

When his furlough is over, Ken will go to Ft. Bragg, North Carolina and will be discharged from service in August of 1968.

His plans for the future include returning to his job at Illinois Bell, college and marriage.

"Bead Stringer," a U.S. First Fleet training exercise, was held off the coast of Southern California and lasted from January 4 through the 13th. It was planned to prepare the 23 ships and nine air units that participated, for conditions prevailing in Southeast Asia.

The exercise included advanced training in surface warfare tactics, anti-submarine air and PT boat warfare operations, and shore bombardment. It was highlighted by surface-to-air missiles fired against drone aerial targets, live rocket and bombing attacks against targets in the San Clemente and Chocolate Mountain impact ranges, surface gunnery and air strikes to sink the target ship Ex-USS Abercrombie.

YWCA Membership Drive Is Underway

A new year begins at the Waukegan YWCA with a strong appeal to women to become a part of this community association. The YWCA, locally, nationally, and in its worldwide aspects has moved increasingly in many areas—membership, leadership, program, and social action to demonstrate within the organization an affirmation of hope and promise in breaking down barriers of denomination, social class, race, age, nationality, faith and political views.

The overriding goal of the YWCA is to work toward a greater involvement of women and girls in the philosophy of the YWCA—"to draw together into responsible membership, women and girls of diverse experience and faiths that their lives may be open to new understanding and deeper relationships and that together they may join in the struggle for peace and justice, freedom and dignity for all people."

While the YWCA works with women and girls, the results of its efforts do not stop with them. Through women and girls the entire community is strengthened. All of us reap the rewards.

The Y's program of clubs, classes and activities are directed to the special needs of women and girls of all ages, including teenagers, young married women, business women, widows, grandmothers

Area Students To Enter American Legion Contest

By Del Jahneke

The Illinois American Legion and the Auxiliary are sponsoring their Annual Americanism Essay contest. The theme of the essay is "Why Are Law and Order Necessary to Preserve Freedom?" There are three classes: Class I—7th and 8th grades; Class II—9th and 10th grades; and Class III—11th and 12th grades.

Mrs. Lester Zitkus, unit Americanism chairman, has contacted all public grade schools, Antioch Community High School and St. Peter's Catholic Grade School regarding having their students participate in this contest.

The Antioch Unit offers a first, second and third prize in each class. The winning essays are then entered into District competition where the first prize is a \$25.00 U. S. Savings Bond. Two years ago, two Antioch students won these \$25.00 bonds. The first place district winners are then entered into state competition.

Legion Auxiliary

By Del Jahneke

At the January 12th meeting of the Antioch American Legion Auxiliary Unit, held at the Antioch Legion Home, there was an initiation of new members. Mrs. Bernard DeVries and her daughter, Margaret, a junior member, were initiated into membership. There are other women and girls who are eligible for initiation, but due to illness, they were unable to attend. Mrs. Bernard Stadick was the installing officer, with Mrs. Ray Rathmann, Mrs. John W. Horan, Jr., Mrs. Ralph Fields, and Mrs. Lester Zitkus as the other officiating officers. Appropriate music was provided by Mrs. Deborah Van Patten.

Mrs. Stadick, president, and Mrs. J. W. Horan, Jr., unit rehabilitation chairman wish to express the gratitude of the Antioch American Legion Auxiliary to a most generous public for their tremendous response to the Auxiliary's Stamp Album Project. Cancelled foreign and domestic stamps are given to hospitalized veterans to aid in their occupational therapy program.

Stuck In The Snow? Here's What To Do!

The depth of winter snow often is proportionate to the depth of a motorist's misery, particularly when it comes to parking.

The Chicago Motor Club AAA offers these suggestions for keeping the snow parking problem from making you miserable:

—Whenever possible, back out of a parking space in your own tracks. It would be a good idea when entering a parking space to roll your car forward and backward a few times to clear a place for an easy exit.

—Do not turn your wheels sharply either in backing out or pulling forward in heavy snow. This impedes progress.

—Make sure your transmission is in low gear. Rapid acceleration will result, only in spinning wheels and no forward motion.

—For better traction in snow or on icy pavement, throw a pair of old skid chains beneath your rear wheels before attempting to pull out. If you do not have skid chains, a bucket of cinders, salt or any abrasive, such as burlap bags or old rugs, will provide added traction.

—In the evening, do not park in the same area in which you were stuck in the morning without first thoroughly salting or sanding the space.

R.L. Panthers Defeat Sequoits 79-70

Playing steady basketball and taking advantage of Antioch's only fair shooting, the Round Lake Panthers beat the Antioch Sequoits 79 to 70.

The Sequoits, using their game correctly, jumped to a 7-1 lead early in the first quarter. At this point, the Sequoits quit rebounding and Round Lake lead by the scoring of Tom Wittum moved to a lead of 16-9. The rest of the quarter was an exchange of baskets and at the quarter's end Round Lake lead 25-20.

The second quarter was well played by both teams, with Round Lake's power, fast

break the outstanding strong point for them.

The game was decided in the third quarter, as Wittum again took charge of the scoring. The Sequoits just couldn't get the basketball through the hoop and fell behind 64-50 at the end of the quarter.

As is the case in many of their games, the Sequoits rally late in the game, only to fall short. In the fourth quarter, the Antioch Sequoits rallied to outscore Round Lake 20-15, but fell nine points short.

Bill Smith played one of his finest games, leading the Sequoits in scoring with 21

points. This is Bill's career high, he also led the team in rebounding with 12 rebounds.

Round Lake outshot the Sequoits. They took 60 shots, made 27 for 46%, while the Sequoits took 80 shots, cashed in on 29 for 36%. In the rebounding department, Round Lake had 38 to 31 for Antioch. Jim Prorok grabbed 15 rebounds to lead the Panthers in this department.

Snowmobile Races Set This Week

Eagle River, Wis.—In addition to spectators having an opportunity to see the cream of snowmobiling racing drivers in action at the fifth annual world's championship races, Jan. 19 and 21 here, they will also be able to test ride the relatively new winter recreational vehicles.

The races are held at Eagle River's sprawling Pleasure Island, north of the city on Highway 45. Two types of racing may be seen... closed course lap races over a quarter mile oval, and speed-obstacle contests over a partially wooded, 4.5 mile course.

The latter course includes three cloverleaf, over-and-under bridges, and a Monza wall within full sight of spectators.

Many of the leading manufacturers and distributors of snowmobiles will exhibit at Pleasure Island, and have machines available for test rides. Instruction will be given by experienced operators. Some manufacturers will also demonstrate many of the new sleds and snow-surfing accessories developed to expand activity when snowmobiling.

The Eagle River races are coupled with the Rhineland-er, Three Lakes and return 45 mile Hodag Marathon on Saturday, Jan. 20. Cooperative scheduling by the sponsoring Lions clubs of both communities allows spectators to conveniently witness both events if desired.

Kemp's Tavern dropped a pair of games to Jack Christiansen (237-557) and the Brass Corners team.

The Angels had four out of five bowlers with five hundred plus series, but still lost two games to Walt Johnson (232-539) and his Johnson's Petite Lake Resort team. Art LaPlante (222-541) was high for The Angels.

Stan Binkowski found at- leys 1 and 2 pretty soft, rolling 205-170-195-570, but his Cole's Tavern team dropped another three games to John Klecki (199-570) and the Red Arrow five.

High bowler for the league Frank Heiselman (203-199-193-595) followed by Chuck Schuth (203-572), Dick Wolf (201-565), Don Pyles (176-493) and Wally Ring (163-485) rolling for Dee Gae Lounge had the league high series, 869-909-932-2710. Won three games from Helvetia Hotel. Lou Portalski (211-530) for Helvetia.

The Monday Night Tavern League will bowl the first make-up series next Sunday morning, Jan. 21, at 10:30.

THE ANTIOCH NEWS-6

Sophs Beat R. L. 54-39 Tie Warren 54-54

On Friday, Jan. 5th, the sophs played a fine conference-undefeated Warren sophomore team to a 54-54 tie at the end of regulation time. The tie was brought about by a successful last second shot from the top of the circle. At the end of the third quarter Antioch lead, 46-34, but were outscored, 20-8 by Warren in the fourth quarter. This was due to Antioch's ineptness at the free throw line. They made 4 of 14 attempts from the line, missing 6 which would have included a bonus attempt. Warren then won the game, 62-60, in overtime on a shot similar to the one which gave them the regulation tie.

The sophs ran, passed and

shot well throughout the entire game, with the exception of the free throws in the fourth quarter. Top scorers for Antioch were Keith Bolton with 14 points, and Marty Romaine with 17 points, the game's high. Scoring in the game, led throughout by Antioch, was as follows:

Antioch Wrestlers Romp On To Victory

Beat Salem 29-14
Defeat Round Lake 40-6

Coach Andrew Hauptman had many anxious moments and probably extra gray hairs at the Antioch-Salem wrestling match at Salem Tuesday afternoon.

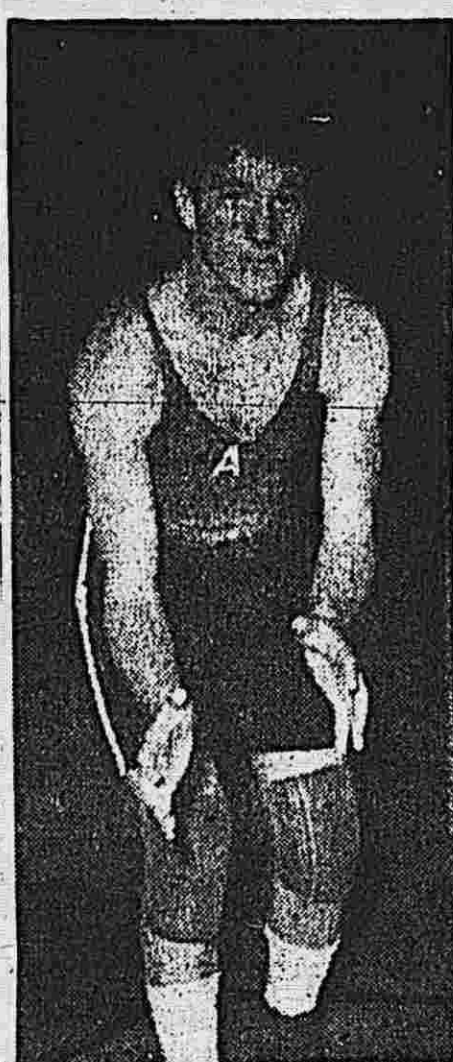

Antioch finally came through and won the match 29-14, after losing the first three matches, and when Wilford Wells, one of his better wrestlers was beaten, Coach Hauptman really worried. At the end of the first five matches Antioch was losing 11-5, but only lost one more match after that and came through in the finals to win.

Winners were: Gary Aerne, Rick Nelson drew; Bob Diemer pinned; Terry Triplett, Don Gaa, Mike Wells, Bill Revell and Charles Hollock-er pinned.

The Sequoits did an outstanding job over the week-end. The Sophs defeated Round Lake 27-21 in a real thriller, while the varsity stomped Round Lake's varsity 40-6. Winners for the varsity team included C. Diemer, Wells, Pleviak, Aerne, Meyer, B. Diemer, Triplett, Gaa, Revell and Hollock-er.

The team will meet Cary Grove at Cary Grove on Friday at 6:30 p.m. and Grayslake, here, on Saturday at 2 p.m.

Coach Hauptman feels that he has the best team that he has ever had but is disappointed in the lack of crowds at these matches. He hopes the school and the community will support their fine wrestling team and attend the matches.

BILL REVELL

Bill Revell, a senior has come a long way in wrestling, according to Coach Andrew Hauptman. "I didn't expect the fine wrestling that I'm getting from Bill," Coach Hauptman said, "but I feel this boy is going to be a threat to a lot of the top contenders in the 180 lb. class when the district tournaments are here in February."

Wauconda Beats Antioch 68-58

The Wauconda Bulldogs, thanks to a fine first half, beat the Antioch Sequoits 68 to 58 last Saturday evening at Antioch.

Moving quickly and rebounding with great strength the Bulldogs moved to an early 16-5 lead. At this point the Sequoits tallied 6 points to close the gap 16-11, only to fall back 20-13 at the quarter's end.

Had not Dave Camp hit four baskets during the second quarter, the Sequoits would have been in a real embarrassing position. It was during this quarter that the Bulldogs really looked good. Periman playing fine basketball for Wauconda, scored 11 points and lead their strong push for a 44 to 23 half-time lead.

At the start of the second half, Wauconda opened the largest lead of the game, 50-25. At this point the Antioch Sequoits showed more hustle and came alive, as they outscored Wauconda 33 to 18, but again too little too late.

"Our shooting was really off Saturday evening. We took 48 shots, netting only 25 for a 30 percent, while Wauconda took 48 shots, making 22 for 46 percent. Maybe next week we will break out of this shooting slump. Our boys are better shooters than the percentage shows," stated Coach Andrews.

Even with big Clark, all 6'7" of him, in the game, the Sequoits did out-rebound the Bulldogs 37 to 34. Joel Strahan lead Antioch with 10 rebounds, and Clark had 13 for Wauconda.

"For a weekend filled with a double defeat, there isn't too much to say," Bill Smith played a fine game Friday evening scoring well and re-

bounding real strong. Dave Camp again proved he is a varsity player with some fine outside shooting and play-making ability, but most important, DEFENSE. Many times he stopped Round Lake's and Wauconda's fast breaks by himself. There will be some changes made this week, one boy on the squad can't play all the defense, it takes five, and we need more rebounding," declared Andrews.

First-round of conference play is over, with the standings as follows:

Field Narrows In Tournament In Antioch

The field in the Northwest Suburban Bowling Precinctors' Association tournament, now underway at the Antioch Bowl, has been narrowed to 32 men and 16 women out of 86 male and 35 female starters, it was announced.

Eliminations, according to tournament director Richard Grenell, Mundelein, will continue for three more weeks.

Leading the pack at this stage of the tournament are Ralph Brogdon, All Star Lanes, Skokie, with an eight-game pinfall of 1,756, and Bonnie Kuhn, Mundelein, with a six-game total of 1,161.

The elimination will narrow the field down to the final two men and one woman who will be sent to the All Star Tournament in Miami, Fla.
